

FEED MY SHEEP MOVEMENT AND MINISTRY

"...He said to him, 'Feed my sheep.'" John 21:16

Mission: Under the direction of our Lord and Savior Jesus Christ, bringing His people a helping hand, showing them the heart and love of God through direct ministry in the street; in the home; and, in the schools. John 21:16

Purpose: Directing resources (food, clothes technology, personal hygiene and other necessities) to God's people; utilizing mobile services to go where there is a need and meet that need on the spot, where needed the most.

Vision:

Ministry of helps; ministry is synonymous with service; to serve is to help or assist those in need, and win souls for Christ.

Feed My Sheep Movement and Ministry (FMSMM) was born out of a need to serve the homeless, veterans, seniors, children and families where their need is, and that is wherever they are, Feed My Sheep is there. Feed My Sheep Movement is a mobile ministry that through the vision God has placed in us, will have a mobile food truck and clothes/technology service truck that provides Blessing Bags where needed, food directly to those in need and technological services to put resources at the fingertips of God's people wherever they are with direct ministry to through prayer and the Word of God. We have the opportunity to reach numerous people, in various areas, making this movement far reaching not only in this country, but around the world. The vision has begun, and God's will prevails, and when the Lord moves, we move with Him. Now is the time, and this is the place. Changing lives; moving from trial to triumph!
